Congratulations

Aasef Shaikh, MD, PhD

1st Edition Textbook Available for Pre-Order

The Cleveland FES Center congratulates Aasef Shaikh, MD, PhD on his 1st edition textbook now available for pre-order on Amazon, “Mathematical Modelling in Motor Neuroscience: State of the Art and Translation to the Clinic, Gaze Orienting Mechanisms and Disease.”

It is the latest release in the Progress in Brain Research series by Elsevier.

About the FES Center
The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, University Hospitals, and the Cleveland Clinic Neurological Institute. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
