

*Congratulations*  
**Jayme Knutson, PhD**

Promotion to Associate Professor of Physical  
Medicine & Rehabilitation, Case School of Medicine,  
and Award of Tenure

The Cleveland FES Center congratulates Jayme Knutson, PhD on his promotion to Associate Professor of Physical Medicine & Rehabilitation, Case School of Medicine and Award of Tenure.

Promotion to associate professor with tenure recognizes Dr. Knutson's outstanding research contributions and national reputation as a biomedical engineer with expertise in the development of advanced electrical stimulation technologies for the treatment of hemiparetic upper limb.

#### About the FES Center

The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, and University Hospitals. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
