

# CONGRATULATIONS ANNE BRYDEN, OTR/L

THERAPY LEADERSHIP COUNCIL'S  
"DISTINGUISHED CLINICIAN AWARD"  
RECIPIENT FOR 2015

Please join the Cleveland FES Center congratulating Anne Bryden, OTR/L, for recognition at the 2015 Academy of Spinal Cord Injury Professionals meeting. Anne was awarded the Therapy Leadership Council's "Distinguished Clinician Award" for 2015! [Full awards list here.](#)

In May, at the 2015 ASIA Conference, Anne was awarded the "Neilsen Foundation Allied Health Professional Research Award of ASIA"

The Cleveland FES Center is privileged that Anne, one of the finest Occupational Therapists in the SCI field, shares her passion for making a difference with the FES Center team.

## About the FES Center

The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, and University Hospitals. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
