

CONGRATULATIONS ROBERT KIRSCH, PhD

CHAIR COUNCIL OF CHAIRS OF BIOENGINEERING AND BIOMEDICAL ENGINEERING

The Cleveland FES Center congratulates Robert Kirsch, PhD elected Chair of the Council of Chairs (CoC) of Bioengineering and Biomedical Engineering.

The CoC consists of the chairs of 120 bioengineering and biomedical engineering departments in the US and the Americas, with the mission of promoting excellence in biomedical engineering education and training.

About the FES Center

The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, and University Hospitals. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
