

# CONGRATULATIONS RONALD RIECHERS, MD CRAIN'S CLEVELAND BUSINESS HEALTH CARE HEROES AWARD

Northeast Ohio is home to many world-class health care organizations. These organizations are led by strong, dedicated and talented teams who work every day to improve the health and lives of those in the community.

Crain's Cleveland Business put the spotlight on some of these heroes with its 2016 Health Care Heroes class. Dr. Riechers was one of the honored physicians whose performance is considered exemplary by both patients and peers.

## About the FES Center

The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, and University Hospitals. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
