

CONGRATULATIONS JENNIFER SWEET, MD

CRAIN'S FORTY UNDER 40 AWARD

Congratulations to Jennifer Sweet, MD, FES Center Investigator, awarded one of *Crain's Cleveland Business* Forty Under 40. Dr. Sweet is a neurosurgeon in the Division of Functional & Stereotactic Neurosurgery, University Hospitals Cleveland Medical Center and, Assistant Professor of Neurological Surgery, Case Western Reserve University School of Medicine. Her interests include neuromodulation, deep brain stimulation (DBS), movement disorders, cognitive disorders, psychiatric and mood disorders, traumatic brain injury, neuropathic pain, cancer pain, drug delivery, peripheral nerve surgery, epilepsy surgery and general neurosurgery.

Now in its 25th year, the *Crain's Cleveland Business* Forty Under 40 program has honored more than 1,000 individuals for their professional successes and civic contributions.

About the FES Center

The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, and University Hospitals. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
