

# CONGRATULATIONS JEFFREY CAPADONA, PHD AND DUSTIN TYLER, PHD AIMBE FELLOWS

The Cleveland FES Center congratulates Jeffrey Capadona, PhD and Dustin Tyler, PhD elected members of the 2017 Class of American Institute for Medical & Biological Engineering (AIMBE) College of Fellows.

The AIMBE College of Fellows consists of over 1,500 individuals who are the outstanding leaders, engineers, entrepreneurs, and innovators in medical and biological engineering that have transformed the world.

## About the FES Center

The Cleveland FES Center is a consortium of the Louis Stokes Cleveland VA Medical Center, MetroHealth Medical Center, Case Western Reserve University, and University Hospitals. With their support, researchers, engineers and clinicians collaborate together to develop innovative solutions that improve the quality of life of individuals with neurological or other muscular skeletal impairments. Through the use of neurostimulation and neuromodulation research and applications, the Cleveland FES Center leads the translation of this technology into clinical deployment.
